Item 4. Setting the Precept

The updated financial figures provided by The RFO were examined. Savings were made where possible but a large increase in wages for the Parish Clerk and The Responsible Financial Officer (RFO) are inevitable due to no increases in wages for over 2 years. Other costs such as insurance will also increase substantially in line with inflation. A precept increase of 8% which is still below the rate of inflation was proposed in order to cushion these increases as well as ensure that the Parish Council remains financially secure. See attached Annex 1.

Proposed by Cllr. W. Greenfield seconded by Cllr. M. Souter. All councillors in agreement.

Action: Chairperson, RFO and Parish Clerk to complete the Precept Form with required signatures.

This meeting was closed on Thursday 12th January 2023 at 6:19pm.
